The college is organizing a workshop on

“Handling of Analytical Instruments and Green Chemical Techniques”

The profession of pharmacy Education, in the present scenario, needs to upgrade the technological changes occurring in the field of pharmacy globally.

In this workshop, the deliberations are planned in such a way to impart the best practical training, research skills & designing small research projects in Pharmaceuticals Analysis.

Shri Vishnu College of Pharmacy was established in the year 1997 by the well known Philanthropist and Industrialist, Late Padmabhushan Dr. B V Raju under Dr. B V Raju Foundation's and Shri Vishnu Educational Society. With the Demise of the founder chairman in June, 2002, Sri K V Vishnu Raju, his grandson succeeded as chairman and is making all efforts to impart the Quality Education.

Shri Vishnu College of Pharmacy (SVCP) is the first private pharmacy college affiliated to Andhra University, Visakhapatnam and is situated in pollution free sprawling campus spread over 108 acres, with the latest equipment in spacious air conditioned laboratories, smart lecture halls, medicinal plant garden, drug museum, computer lab and seminar hall along with good library facilities to take up research projects.

SVCP has been successful in providing and maintaining high quality in research and teaching in Pharmaceutical Sciences. Our faculty members completed their doctoral studies availing the research facilities of our college.

The students are placed in various pharmacy industries and many of our Alumni are doing extremely well in industry, education and profession both in India and abroad. Our institute is having well experienced qualified and dedicated staff maintaining the academic standards. The college has been organizing seminars, conferences and guest lectures at regular intervals by eminent personalities from industries and academics.

Courses offered

B. Pharmacy

Pharm. D

Pharm D PB

M. Pharmacy

- Pharmaceutical Technology
 - Pharmacology
 - Pharmaceutical Chemistry
 - Pharmaceutical Analysis & QA
 - Pharmaceutical Management & Regulatory Affairs
 - Pharmaceutical Analysis & QC
- *Recognized PhD Research center by Andhra University.*

The objective of the workshop

To create and upgrade trained manpower in the area of pharmaceutical education and research and to inculcate the innovative ideas in the usage and handling of different analytical instruments & their software for advanced research.

Location

The campus is located approx. 3km away from bhimavaram railway station and bus complex, 107 km from Vijayawada and is well connected by road and rail.

Programme

The two days workshop is designed as two sessions, Inauguration, *Handling of Analytical Instruments and Green Chemical Techniques*, delivered by well experienced and trained faculty from premier institutions and organizations.

Workshop Outline

The topics of the workshop will be divided into two parts as theoretical and practical sessions.

Theoretical aspects like introduction to instrumentation, operation, trouble shooting, software issues and applications in pharmaceutical industries will be covered.

The practical aspects include hands-on training on various analytical instruments like ...

1. HPLC
2. GC
3. DSC
4. UV/VIS Spectrophotometer
5. FTIR
6. Auto analyzer

Registration Fee

- Students & Teachers ` 300/-

The amount should be paid by way of D.D On any nationalized bank in favor of “*The Principal, Shri Vishnu College of Pharmacy*” payable at *Bhimavaram*.

Photocopies of registration form can be used if needed.
